ITMA 2023

ITMA 2023 INNOVATOR XCHANGE: INNOVATIVE TECHNOLOGIES (12 JUNE 2023)
CALL FOR PAPERS

Formerly known as the Speakers Platform, Innovator Xchange will span over 5 days, from 9 – 13 June 2023. This platform will provide an opportunity for exhibitors to share their latest innovations and solutions in greater depth based on the four trending topics of ITMA 2023, namely, Advanced Materials, Automation and Digital Future, Innovative Technologies and Sustainability and Circularity.

A guest speaker representing the user or application perspective from the textile mills or brands and retailers will also be invited to speak on each of the respective topics.

CALL FOR PAPERS – INNOVATIVE TECHNOLOGIES

The Organiser is now inviting all exhibitors of ITMA 2023 to submit your papers based on the above topic. The programme committee looks forward to, but not limited to following topics:

- Game changing innovations that will impact the textile industry and the environment.
- The application of the new innovations on machineries, textile materials and composites or any other products.
- Measurements on quality, comfort and test statistics.
- Opportunities and challenges faced amidst the Covid-19 endemic.
- The impact of artificial intelligence and its application in the textile industry.

Presenters should emphasise innovations, providing solutions and perspectives on above-mentioned topics. Please note that commercial presentations will be rejected.

You may click **here** to submit your papers. Please refer to the **Submission Guide** provided should you need more clarifications. **The submission deadline is 16 December 2022.**

You will be required to register for an account separately at the events submission platform. Only the nominated person in-charge of events from the collaborator module, **OR** the main corresponding person, will have access to the events submission platform. Please note that it could take up to 3 working days to activate your account from the date of your registration.
