

ITMA 2023

ITMA 2023 INNOVATOR XCHANGE: AUTOMATION AND DIGITAL FUTURE (11 JUNE 2023)

CALL FOR PAPERS

Formerly known as the Speakers Platform, Innovator Xchange will span over 5 days, from 9 – 13 June 2023. This platform will provide an opportunity for exhibitors to share their latest innovations and solutions in greater depth based on the four trending topics of ITMA 2023, namely, Advanced Materials, Automation and Digital Future, Innovative Technologies and Sustainability and Circularity.

A guest speaker representing the user or application perspective from the textile mills or brands and retailers will also be invited to speak on each of the respective topics.

CALL FOR PAPERS – AUTOMATION AND DIGITAL FUTURE

The Organiser is now inviting all exhibitors of ITMA 2023 to submit your papers based on the above topic. Some interested suggested topics are:

- Digital twin
- Increase of primary data - the importance and impact of transparency and traceability
- Sustainability and the green plan
- Circularity - digital product passport: how prepared is the industry?
- End to end digitalisation - constant missing element in textile industry is end-to-end consistency in processes
- Overcoming textile waste and lack of material database

Presenters should emphasise on the innovative solutions and the issue it will or manage to solve based on the above-mentioned topics. Please upload your paper in pdf format with no more than 500 words and no larger than 10 MB in size. Kindly note that commercial presentations will be rejected.

You may click [here](#) to submit your paper. Please refer to the [Submission Guide](#) provided should you need more clarifications. **The submission deadline has been extended to 31 January 2023.**

You will be required to register for an account separately at the events submission platform. Only the nominated person in-charge of events from the collaborator module, **OR** the main corresponding person, will have access to the events submission platform. Please note that it could take up to 3 working days to activate your account from the date of your registration.
