

EVENTS SUBMISSION PLATFORM – SUBMISSION GUIDE

There are two ways you could access the events submission platform to submit the call-for-papers or make an award application.

- Submission on Exhibitor Centre
- Submission on ITMA 2023 Website

For both options, you will be redirected to the events submission platform. You are required to register for an account separately at the events submission platform. Only the nominated person in-charge of events from the collaborator module in the Exhibitor Centre, **OR** the main corresponding person, will have access to the events submission platform. Please note that it could take up to 3 working days to activate your account from the date of your registration.
